<b>Total Number of Implemented Smoke-free Ordinances</b>	42	3	12

<sup>a</sup>Represents implementation date

<sup>b</sup>Board of Health Regulation: Enforcement ended on June 19, 2014 due to Kentucky Supreme Court ruling.

<sup>c</sup>Hopkins County originally adopted a Board of Health Clean Indoor Air Regulation in October 2008. Since that time the Hopkins County Fiscal Court enacted a county-wide smoke-free ordinance.

<sup>d</sup>County law covers only unincorporated areas

<sup>e</sup>E-cigarette use prohibited

*“Among the police powers of the government, the power to promote and safeguard public health ranks at the top.... The real issue is whether the public regulation [Lexington’s smoke-free law] is reasonable....*

*In this case we must conclude that it is.”*

*~Kentucky Supreme Court Decision, April 2004*
